

Board Survey
“How We Doin’?”

Bayside Homeowners,

We have put together a simple survey giving you the opportunity to evaluate our overall performance over the past 18 months as your Board of Directors. The purpose of the survey is two-fold:

1. How would you grade our effectiveness in governing this community as your homeowner directors; and
2. What do you think we should “Stop”, “Start” and “Continue” doing as a Board.

The initial 10 questions ask you to rate us on a five-point scale of:

- Strongly Disagree
- Disagree
- No Opinion
- Agree
- Strongly Agree.

Following the multiple-choice questions, the survey asks if you have any thoughts on what should the Board “Stop”, “Start”, and/or “Continue.” Here is your opportunity to type a free form response on how the Board conducts business. If you wish to comment on any (or all) of the three questions, we ask you to be as descriptive as possible, but do so in a clear and concise manner. The better you can articulate your thoughts, the more helpful it will be to the Board when determining what area(s) we may need to consider as we move forward.

To start the survey and to submit your response, please click the following link (<https://forms.gle/HoycPyaYoJmsQuUu9>). **One response per residence** will be accepted. In addition to posting on TownSq, we will also

be sending this notice via email to every homeowner for whom we have a valid email address as well as posting this same invitation on our new website Bayside Compass (<https://baysidecompass.com>).

The survey window will remain open until close of business, Friday, June 5th. We greatly appreciate your input and perspective.

Our objective is to share the survey results at our 1pm Town Hall meeting at the Roxanna Fire Hall on June 11th. A separate invitation to this meeting along with a brief agenda will be sent by Legum & Norman as we approach the meeting date. In addition to the survey results, there will be a presentation and conversation on why and how homeowners can volunteer to serve on committees or the Board as we move forward to our next generation of community leaders. Our HOA is only as good as the volunteers who serve the community. Following the presentation of volunteerism, we will open the floor for participants to ask the Board any question or concerns they may have. Here is your opportunity to speak up and speak out. We hope you can attend.

Respectfully,

Your Board of Directors.
