A Friendly Reminder to Our Premier Members

During our Member-Only/Private Club mornings, tee times prior to 12:00 pm are reserved exclusively for Premier Members and their accompanied guests. To utilize these tee times, all guests must be playing with a Premier Member. We are happy to welcome unaccompanied guests to the Club; however, their tee time must be scheduled **after 12:00 pm** in accordance with our booking policy and booked by a Premier Member.

2026 Club Championship Registration

Registration for the 2026 Club Championship has been filling steadily and is shaping up to be one of the largest—if not the largest—fields in Bayside Club Championship history. Thank you to everyone who has already registered!

For those who are interested but have not yet signed up, registration will remain open until Wednesday, July 28th at 8:00 PM. To register or learn more about the event please click [HERE](#)

Please note that the morning tee sheets on August 1st and 2nd have been blocked to accommodate Club Championship play. These tee time blocks will remain in place and will not be adjusted or released. We kindly ask members who are not participating in the championship to plan their golf accordingly.

We look forward to another outstanding Club Championship and wish the best of luck to all competitors!

2026 Member-Member Roster is FULL!

The 8am and 2pm are both officially full. You are still welcome to register a team. Your team would be put on a waitlist for the 2pm shotgun. Registration will officially close at 8pm on Wednesday, August 12th.

Tips & Tricks

This week in Tips & Tricks we will cover Playing Around the Agronomy Team.

- **Please give maintenance staff the right of way.** Whenever possible, allow them to complete their task before playing your shot.
- **Make eye contact before hitting.** Ensure the crew has acknowledged you and is safely out of range before you play.
- **Be patient.** A brief delay while mowing a green or changing a cup helps ensure the course remains in top condition for everyone.
- **Respect maintenance equipment and work areas.** Avoid driving carts through freshly worked or marked-off areas.
- **A friendly wave or "thank you" goes a long way.** Our maintenance team begins their day long before sunrise and takes great pride in preparing the course each morning.

Commons Pool Hot Tub: A Quick Note

You may have heard some chatter about the hot tub at the Commons pool, so we wanted to set the record straight. During the initial days of use this season, the surface at the bottom of the hot tub developed some staining. It's purely cosmetic and has no bearing on the cleanliness or safety of the water.

Rest assured, our hot tub systems are checked daily, chemical levels are consistently balanced, and the water is safe for use every day.

Thank you for your patience, and please reach out to the Recreation team anytime with questions.

Membership Card Pickup

Member replacement cards will now be picked up from Monique Williams, our Membership Coordinator, at the main office on the second floor of the Signatures Clubhouse.

Pick-up is available Tuesday-Saturday from 10:00am-4:00pm. If you need to arrange a time outside of these hours, please email mwilliams@livebayside.com and we'll be happy to accommodate your request.

You can reach out to Monique Williams at mwilliams@livebayside.com or speak with any of our wonderful staff at the Health and Aquatic Club. We'll be happy to resolve the issue quickly.

Whether you're working out on the fitness floor or participating in a group fitness class, please remember to wipe down all equipment and machines after use. However, please do not wipe the screens on ellipticals, treadmills, and bikes, as they are not designed to be cleaned with sanitizing wipes. Thank you for helping us maintain a clean and safe environment for everyone!
