

Bayside Residents,

As we prepare for the very important upcoming election of HOA Board seats in November, we are seeking interested volunteers to serve on the HOA Nominating Committee (the "Committee"). There will be three (3) Board seats available this November arising from Judy Monaco's move back to Georgia this past June; and the expiring terms for both Marilou Merrill and Jan Stambaugh. Current Board members David Chun and Dave Williams will remain on the Board one more year as their terms end in November 2027. Our governing documents require our Board to have at least three, but no more than five Directors. All five Directors will be homeowners.

In accordance with Bayside's Bylaws, the Committee shall be formed in advance of each election for the purpose of identifying and nominating election candidates. In addition to nominating candidates, the Committee will assist with the overall election planning process including the timeline, voting procedures, and candidate meet & greet. The Committee will consist of a chairperson, who shall be a Board member, and three or more owners. Any homeowners who are interested in volunteering to serve on this important election committee are asked to submit your name to Michael Bennett, HOA General Manager with Legum & Norman ([mbennett@legumnorman.com](mailto:mbennett@legumnorman.com)) by Monday, August 31, 2026.

Thank you,

Michael Bennett, HOA General Manager
